"Serving Those Who Serve America"

MARCH 2022

PRESIDENT'S COMMENTS

Every picture tells a story. Our lives are full of pictures, so which ones do we choose to look at. Our choice of which picture to look at can be influenced by many different needs. If we are happy, if we're sad, if we're looking at the unknown, if we are hurt, or if we're scared. Any one

of these feelings are causes for us to stop and choose a picture of our life to look at. The most important thing is we are free to choose which pictures to look at. We must find those pictures which give us strength and a vision for a better future. Pictures don't predict the future but they help us understand the past.

This may sound a little heavy for a monthly newsletter. But at a time like this when we are faced with health issues, financial stress, challenging world events, and uncertainty in our daily life's events. It is in times like this that we find those pictures that reflect on our strengths, our faith in the future, and the knowledge to know that we do not stand alone.

Our Military Officers Association is more than monthly meetings, social gatherings or friendly outdoor events. It is an opportunity for us to collectively gather together, to recognize and support the Values of our Country, and give support to our members who might be in need. Because of our COVID health restrictions that have kept us from meeting in person, I feel we have lost personal contact with many of our members. Your board members are here to serve the needs of this organization, they need your support and your input.

## CPT WILLIAM ANDERSON, USA

**Is offering his service to  
members and veterans in need.**

He realizes that the country is presently going through a rough time, because of the present COVID-19 virus and shelter in place, there are a lot of people with many different needs. He is offering to our members and any veterans organizations his help.

As a landlord he can repair many house issues for our their members. **FREE!** They only need to pay for parts.

He can transport supplies. He lives in Santa Rosa. He owns 59 properties in this state alone and is his own maintenance service. He does many kinds of things.

Anyone can call him and he will give you more details.  
Call: William Anderson at 707-331-0366

## REMEMBER TO PAY YOUR DUES FOR 2022

Dues notices were sent out by mail, with a return envelope. Unfortunately the wrong Dues Date was on the form (2023). Dues being collect are for the year **2022**. As of this publication about 65% of our members have renewed their membership. That leaves about 30 members that need to renew their dues. You were all military officers, please comply and send us \$25.00. You could be dropped after March 1st.

## "Sunshine Lady"

Call Myrna Hurst, 707-468-0146,  
if you know of anyone in the chapter who  
might enjoy a get well or sympathy card.

## "Pub Crawl" by Ken Johnson

Please join us as we start an in person event for all our Chapters MOAA members. No agenda, just a place and a time where we can gather and share a beer or two and talk about items of interest to all of us. We have been looking for a place that is easy for all of us to get to, and someplace that's quiet so we can gather in our own little corner and just talk and have time together. We have chosen to have our event at the Graton Resort & Casino, in Rohnert Park. They have several restaurants but the one I like is called the Daily Grill. It has both indoor and outdoor seating and a very nice menu. They have three large parking lots so there's plenty of room for parking.

We will try again to meet on the third Tuesday, at 11:30am, March 15th. **NOTE: This is not just for the guys, the wives or spouses are more than welcome.** Our time and date for future meetings will be up to the needs of interested members. This is just the start of a fun way to get together and have great times together. A few of our members had a good time doing this by **ZOOM** meetings in the past. However I'm open to any input and suggestions, so call me if you have any questions at 408-466-6764.

## THEATRE SEATS FOR SENIORS

~~An old man lay awkwardly sprawled across three entire seats in the movie theatre~~

When the usher came by and noticed this, he whispered to the old man,

"Sorry sir, but you're only allowed one seat."

The old man didn't budge.

The usher became more impatient.

"Sir, if you don't get up from there I'm going to have to call the manager."

Once again, the old man just muttered and did nothing.

The usher marched briskly back up the aisle, and in a moment returned with the manager.

Together the two of them tried repeatedly to move the old dishevelled man, but with no success.

Finally they summoned the police.

The officer surveyed the situation briefly, then asked, "All right, buddy, what's your name?"

"Fred," the old man moaned.

"Where you from, Fred?" asked the police officer.

With a terrible strain in his voice, and without moving, Fred replied;

"The balcony"....

## Legislative Affairs Update March 2022

### Federal:

**Federal Budget . 2022 NDAA.** Since the 2022 NDAA is still stuck in Congress, it still not be too late to make last minute pleas to our legislators to pass it because a Continuing Resolution would be a disaster

We still need support to get the following bills passed. MOAA Advocacy on the website has improved the manner to connect with your legislator - try it you'll like it.

**SA. 4297 Revision of Arlington National Cemetary Eligibility.** This amendment would follow the House bill which would require DoD to revisit the proposed eligibility provisions for burial at ANC.

**SA. 4297/S.1972. Young Adult Health Coverage Act.** This measure would align dependent children up to age 26 more closely to civilian health care plans - not the proposed \$500.00 month.

**S. 344/ HR 1282 Concurrent Receipt - aka Major Richard Star Act.** This legislative proposal would provide for full retirement benefits for those injured in combat and forced to retire before twenty years off service. Although it has received adequate support, it appears that it might not "make to cut" when the NDAA gets finalized because counter balancing budget line has not been found. However, since these may be considered "stand alone" bills, they still may

**H.R. 2214 and S.1669 - The Military Retiree Survivor Comfort Act.** Financial concerns and stress

can be a terrible burden on top of an already stressful situation for a newly widowed spouse. For some, when they discover DFAS may take part or all of that last retirement check back, it can be an overwhelming event. These bills will allow survivors to gradually repay the amount over the next 12 months and have an opportunity to request for debt forgiveness through DoD.

**COLA** continues to rise. The latest information available shows it 2.9% above the baseline.

### State:

**AB 1623 Tax Exemption for Military Retired Pay.** In view of the State "excess" money perhaps the "tax fairies" may look favorably on our situation. Keep a lookout for information regarding voting by "clip and press" request through CSCVC's Voter Voice - provided through CSVC - which is the easiest since it is punch and send. This sends the message automatically to your State Senator or Assemblymember. This will require "all hands support."

**Vern McNamee, LTC, USA Retired**  
Legislative Chairman  
Redwood Empire Chapter, MOAA (CA30)

**PLEASE PAY YOUR DUES ONLY \$25.00**
