“Serving Those Who Serve America”

APRIL 2022

## PRESIDENT'S COMMENTS

Wow it was great. Our monthly luncheon this month was one of the best that we've had in quite some time. We had a larger attendance, our meal was enjoyable, we had an enjoyable and informative speaker, and most of all there was a level of energy and excitement in our gathering that made it one of the best that we've had in a long time. Newsletters, phone calls, and one on one contact all go toward building a strong and active organization. What gives us life and energy is when we come together socially in the physical presence of others that share our common values. I have been an MOAA member for well over 30 years, and it has always been an important and valuable part of my life. I have been president for almost 2 years and this has been the first time I have served on the board any MOAA organization board.

Being willing and available to serve means giving up time that we could use for doing other personal activities. We have several of our board members that have been active on the board for many years. This organization would not exist without their efforts. Our organization is not growing, in fact we have lost some of our members. We are members of this organization because of our common values, our past military experiences, and the desire to be part of a fellowship of men and women that we can call our own. I'm writing this out of respect for those men and women in our organization who give so much of themselves so that we can be part of a family a retired military.

Next month in our MOAA voice I'm going to use the president's comments for some of our board members to describe how our members can support them in their designated roles. I feel that is important for all of our members to be actively involved in whatever way they can to contribute to those functions that support the needs of our organization. The lifeblood of this organization is our members. We have been recognized by many as one of the strongest and best run chapters.

Just a little side note. By my own standards I'm not a writer, this article is the most writing I will do all month, and it takes me a couple of hours to finish. It's probably a good thing because it allows me to stop and to put into writing some of my thoughts and feelings. I share this because we all have something to give. I want us to have time together at the next pub crawl to get know each other in a casual setting, the food is good too!

**Buffet Luncheon at the  
EPICENTER in Santa Rosa  
11:00am ~ Dine at Noon**

**Guest Speaker:** At the time of this publication we do not have a guest speaker. If one becomes available for the April luncheon, you will be notified by email.

**PLEASE MAKE RESERVATIONS FOR DINING**, this is needed for head counts for meals and making name tags.

See page No. 3 for the Luncheon menu.

### “Pub Crawl” by Ken Johnson

Please join us at our in person event for all our Chapters MOAA members. No agenda, just a place and a time where we can gather and share a beer or two and talk about items of interest to all of us. We had been looking for a place that is easy for all of us to get to, and someplace that's quiet so we can gather in our own little corner and just talk and have time together. We have chosen to have our event at the **Graton Resort & Casino**, in Rohnert Park. They have several restaurants but the one I like is called the **Daily Grill**. It has both indoor and outdoor seating and a very nice menu. They have three large parking lots so there's plenty of room for parking.

We are meeting on the third Tuesday, at 11:30am, April 19th. **NOTE: This is not just for the guys, the wives or spouses are more than welcome.** Our time and date for future meetings will be up to the needs of interested members. This is just a fun way to get together and have great times together. A few of our members had a good time doing this by **ZOOM** meetings in the past. However I'm open to any input and suggestions, so call me if you have any questions at 408-466-6764.

### ZOOM ~ MOAA BOARD MEETING

**BOARD OF DIRECTORS:** Tuesday, April 5, 2022, 11:30am. Tim Morgan will be sending information on how to join the meeting. If a member of the Chapter wishes to join the meeting, you must contact us by e-mail and we will give you the information needed.

Chapter members are always welcome at these meetings.

## Charles M. Schulz Sonoma County Airport

Snoopy would never recognize the airport these days. In 1947, when scheduled commercial flights first took off from the airport, he wasn't even "born." His first appearance in newspapers was in October 1950, three years later. The airport had various names at first, but in 2000, the year Schulz died, it was given its current name: Charles M. Schulz

Sonoma County Airport. A wonderful tribute to a wonderful man. Snoopy would be proud.

The guest speaker at the February MOAA lunch was Jon Stout, Airport Manager. His PowerPoint presentation was positively loaded with information about the airport, focusing on current and upcoming plans for expanding the terminal, parking (the lot will be fully solar paneled), car rentals, and the number of commercial flights. He said he would like to have Southwest added to the list of carriers; however, as of now it doesn't fit their business market. He will continue talking to them. The airport has always been and will continue to have very high private-plane traffic.

The Q & A session following Stout's talk was interesting and productive. If you wish to ask him additional questions, or just let him know how much we appreciated his being at the luncheon, you can email him at [Jon.Stout@sonoma-county.org](mailto:Jon.Stout@sonoma-county.org). He's very receptive to your questions and comments.

## Legislative Update- April 2022

### Federal:

**Federal Budget . 2022 NDAA.** While it appears that funding is still being worked on, MOAA has established a priority list of legislation for our legislators to consider. And, in so doing, National MOAA is preparing to launch its annual Advocacy in Action (AiA) for 2022 during the period 1-29 April. This will involve CalMOAA and its chapters quite extensively through in-person meetings with our respective congressmembers, virtual meetings through Zoom, telephone meetings, or lastly direct mail with the approved talking points.

We will be supporting National MOAA in the following three priorities:

**S. 344/ HR 1282 Concurrent Receipt - aka Major Richard Star Act.** This legislative proposal would provide for full retirement benefits for those injured in combat and forced to retire before twenty years off service. Although it has received adequate support, it appears that it might not "make to cut" when the NDAA gets finalized unless a counter balancing budget line has been found. However, since these may be considered "stand alone" bills, they still may get funded.

**H.R. 4824 Stop Copay Overpay Act- TRICARE Mental Health Copayments.** Support for mental health is increasingly important, and the issue is getting attention on the Hill due to pandemic impacts and the effects of social media on children's well-being. This bill seeks to remedy TRICARE's financial barrier to care when it is available will benefit our currently serving families on TRICARE Select and our working-age retirees and their families.

**Military Pay Raise at 4.6%.** This proposal should be included in the FY 2023 NDAA based on the President's

guidance and input from the Armed Services Committees in both chambers. However, some legislators are interested in adjusting pay for junior enlisted. No details are available at this time. However, although a 2.7% pay raise is included, it does not meet the requirements of the Employment Cost Index (ECI) which is 4.6% for all ranks due to a 2.6% gap from previous years. This issue is significantly important to those who are about to retire.

**COLA continues to rise.** The latest information available shows it 3.9% above the baseline.

### State:

The major thrust this month is to keep the following legislation on all Assemblymembers and Senators desks asking for their support.

**AB 1623 Tax Exemption for Military Retired Pay.** In view of the State "excess" money perhaps the "tax fairies" may look favorably on our situation.

**Voter Voice.net** We still need your help by following up, particularly with Assemblymember Marc Levine who is a member of the Revenue and Taxation Committee which will meet on 21 March. Please use the link below to send a message to the Committee. This sends the message automatically to your State Senator or Assemblymember.
